“ Nancy and I worked together for NY State and that's where we met back in 1967. We have been friends ever since. We made sure we sent each other birthday wishes over the years and talked about our families, retirement and the good old days. She will be missed girlfriend. RIP until we meet again.

“ Jim and Family, we shared a lot of laughs and tears over the years. I am so saddened by her death. The water pistol fight was crazy fun and she was at the heart of it. Prayers and Blessings.
