“ *Janie and Maryellen,
I am Marie and Fred Fischer's daughter, Karen. I have so many memories of spending time with your mom (and you, Janie) while I was growing up. Truly, she was my mom's best friend. They shared funny, happy and exceptionally sad times together, leading to a lifelong friendship. I have dozens of photos of your mom in later years when they were together in Hughesville and Florida, but this is the first nursing photo I have seen. Oh, that sparkle in her eyes! I will never forget her. My love to both of you and your families.
