“ So thankful to your family that I was able to spend time with your mom. She was always so proud and said how much she loved, cared and worried about all of you ..only wanted you all to stay together and be happy. I will miss her but will always remember her when I use her recommended Ponds Cold Cream. A very lovely lady!

“ Dear Woods Family,
We were saddened to learn of your mother's passing. She really had a long life but it is always hard to lose your mother. Bob and I will not be able to physically join you but you have our sympathy and will be in our prayers. We have so many fond memories of you and those great years at Neumann.
