“ As Norms big sister (two years his senior) we children played many outdoor games together. I have many fond memories such as going to grandpa's farm and jumping off the hay loft and into the hay pile :) and sledding on the hill at the farm in the winter was great fun as well. :)

Norm and I kept in touch long distance on a regular basis by phone across the many years sharing family events and concerns. I will never forget the important fact that he always said "I love you" when we hung up, those are the last words I heard from him and they echo in my mind as my memory of Norm. I will miss him very much and I know he is in heaven and I am looking forward to seeing him at the great family reunion.

With love and hugs, my deepest condolences to Tina, Dawn, Coleen, Stephanie and family. Ruth Ann Beyer (Keicher)

“ *I will always remember Uncle Norm as a man who I could easily converse with. He was a good listener for me as a young man, and an old man. I remember working for him one summer during high school. It was hard physical work for a kid but it taught me some valuable lessons and set the bar high enough that I knew what it was like to do a “man’s job”. I never forgot that summer’s work he always treated me fairly and was patient. Over time a busy life had separated us but I tried to make a point to call or visit as I was able, we could easily pick up where we left off, a testament to his ways. I will surely remember his smile and laugh, stories of his mom, dad and brothers (including my dad), and of course his realistic perspective honed by years of experience. Our thoughts and prayers are with his family; may God supply strength and draw you all close together covered by His love during this time and always. With my sincere condolences cousin/nephew Dennis Keicher*
