“ Lynda:

My heart breaks for you, my friend. I didn't know Paige personally, but I remember your tremendous love for her, your only daughter... and while you must desperately want Paige with you physically, she is now your Guardian Angel, watching over and protecting you and your family.

It may seem like small consolation, but Paige will continue to live in your heart.

Sending love and prayers for strength and healing.

“ We are deeply saddened to hear of the passing of Paige. Although I've only known Paige for three years As her bowling coach I couldn't be more proud of her. She worked extremely hard and always had a smile on her face. Paige had improved and worked her way up to the starting lineup. It has been a pleasure to help her grow and learn the sport and I can only hope that my impact on her was as great as her impact on me. RIP Paige! Please accept our condolences and my God bless.
