“ *It's so hard to believe that you're gone. I still expect to see your name pop up on my phone for one of our weekly phone calls. My heart is broken at the loss of my longest and best friend in the world. The things being said on this thread are so true. You had the biggest heart and the kindest soul of anyone I know. The world needs more people like you. I hope you can find a way to drop some of that sunshine down on this world today. You will be missed every day by those who loved you.*

*Love and hugs to Eric, Collin, and Emilie. Praying for the three of you and the entire family during this extremely difficult time.*

“ I was so blessed to have had the opportunity to work with and get to know Pam back when her beautiful and impressive daughter Emilie was in my first grade class when I taught at Sidney. While Pam signed up to be my room parent that year, she also became a friend who brought light and levity to my days at Sidney. Pam always planned creative and festive projects for the students . I remember her concocting the idea for us to make toilet paper pumpkins for Halloween, which was a novel idea at the time. She even arranged to get a donation of toilet paper rolls from the local KMart. Pam also arranged to have jewelry boxes sent to my classroom for another unique project she came up with for my then students’ parents. I was always very grateful for her generosity of time, materials, and energy, and most importantly her friendship. Pam definitely made an impact on me...even this pas school year when my students were all remote, I made sure we made those toilet paper pumpkins and that every student had the materials they needed. This brought light and levity to my littler learners and their families, and of course it made me think of Pam. I will honor Pam’s memory every year by making those special pumpkins and maybe even add the flannel material that was depicted in a message she sent me last Fall. My heart goes out to Emilie, Colin, Eric, and Pam’s family...they were the light of her life. Much love to all as you remember the beloved Pam, a beautiful soul. ❤️🙏🌟🥰

Pan was a neighbor of ours on Sanly Road. First encounter was also as a room parent - her for Collin and me for Brynn. Her Halloween party guidance led to our friendship as we held each end of the long stick for hanging donuts for a hands-free eating contest. After that we had plenty of laughs as neighbors and parents of teenagers. Rest easy, Pam.

“ To my dear friend and neighbor Pam.

*I am broken hearted you have left us so suddenly. I miss you dearly, miss seeing you across the street where we would wandered over to each others house to talk and laugh. I will miss all our conversations always talking about our kids, families and Buffalo. What a small world to become friends and neighbors in Rio Rancho, NM with our hometowns both from the Buffalo area.... Lots to laugh about. I will miss our neighborhood yard sales.... Laughing at each other across the street.*

*You were always so good and giving to me and my children and grand children. They all loved you very much.*

*You were the life of our neighborhood who kept us all laughing and smiling no matter what. Our Tierra Vista Pl cul de sac will never be the same without you.*

*May God bless you and keep you in his arms in Heaven. You will be missed by myself and family. I will keep you and our memories close to my heart my dear friend. I will so miss you.*

*Eric, Collin, and Emily and family...*

*We send you all our love and prayers as you go through this difficult time in your life with the loss of Pam. Words can not express our sadness. Please know we are all here for you.... Anything you need please let us know.*

*Love Cindy*
