“ As I sit listening to AJA from Steely Dan, im reminded of how much i loved visiting Pat and Tom when I was a teenager, and as the music played, and the laughs echoed, and i witnessed how much my sister and brother in law loved each other, I knew at that time, I was so lucky to have grown up around them.
I miss them so much so many years later.

“ Mom was so funny. Quick witted. She loved everyone with her whole heart. She truly missed my Dad, I hope they are finally back together. No more suffering.

Memories of a giving, kind and funny sister-in-law. I have been thinking of memories we had and every one makes me laugh. Pat was a beautiful person and she is free now. Not suffering and I pray at peace and with her loved ones on the other side. Love you Pat ❤️
