“ *I first met Pat as a 16 year old girl, Pat was so kind to me. She was easy to talk to, guided me when I needed it. She was a great co worker. She started in the Youth Bureau which turned into the Youth & Recreation Dept.*

She was great at her job! I spoke with her a few months ago, what a treat that was to hear her voice. It made me so sad the day I got the news but I immediately felt honored that she thought of me, Linda P. and Kathy M. to call each of us. I can still hear her laugh. I received a message from 2 former YES Directors who were also very sad. Pat fought for funding for the Cheektowaga YES Program which is near and dear to us.

Pat, there is an Angel looking up at you in heaven as I looked up to you as a teen age girl.

*I love you, Pat!
