“ We are deeply saddened to hear of Paul's passing. Paul brought so much light into the lives of hundreds of hurting couples, with Carol by his side, as they worked tirelessly in the Retrouvaille ministry. Paul exuded joy and gratitude in life in spite of the many health challenges he faced. He was an extremely caring, loving and compassionate man. We always cherished any time we spent with Paul and Carol. The world has lost a true hero. Our deepest sympathy to Carol and Paul and Carol's family and friends.

Dear Carol and family, My heart goes out to you as you grieve the death of this good man. I have so many good memories of Carol and Paul at Retrouvaille events and international conferences. In particular the conference in Rome, Italy. He had a great sense of humour that I will always remember. I will keep you in my prayers in the weeks to come as you remember his life.
