“ I am very sad to hear of Paulette's passing. She was always such a joy to be around, and I cherished the time she was here in Florida. I met Paulette through the gym. She would come to my cardio dance class and Silver Sneakers Circuit class. After every single class she would post on my FB page, thanking me for the class or classes. She always made me feel appreciated! I know she loved everyone around her! I loved her positivity and how she cheered fro everyone! I feel fortunate to have know her and I will miss her terribly!
