“ So sorry to read about Pauline's death. We went all through School together and graduated from Cumberland High School in 1957. We lost touch over the years but I always remember her and the things we shared in our youth. Rest in peace. Dottie Carr-Whitford

“ To my beautiful Mommie,

Loving you & caring for you was the honor of my life. I know it was not always easy, but me & you had good memories, we always made it fun. I tried to keep you laughing right up till the end, like a couple weeks ago at Mercy, when I showed up to your room to wash your hair, and you wouldn't let me, so I wore the big green bowl on my head. You laughed so hard you had to look away. And I still have your note that you wrote 'Get me out of here' and you smiled when you gave it to me. I'm sorry i couldn't be with you at the end. It was too hard for me. I prayed for you. I always will pray for you. I know you love me, and I hope you'll watch over me, and all of us .. till we meet again.

You were truly my heart and soul.

Terri :(
