“ *Uncle Pete*

I can not believe that you are gone. Unfortunately we did not have a crazy amount of memories but all the memories I do have of you, I will cherish. From when I was a little girl excited to swim in your pool, or when I was less then 2 feet tall and your dog took me down in your backyard, even to being able to see you last summer and stay the weekend and spend a little time then as well. You were a great father, husband, friend, cousin, and uncle. We will forever remember all the great memories we shared with you. Always ready to run and help and be there to support anyone! When we lost my dad you were there for your cousins the next day. A big heart like yours is extremely hard to come by. Hope your enjoying a beer up there with my dad. May your memory be eternal.
