“ *She was the best. I enjoyed my visits with her every summer when I was in town, and I called her a lot. We would talk about everything and anything. She sure was a favorite, special aunt of mine, and I have so many memories, from the first time I met her before she married my Uncle Phil (whom I also adored). My very favorite memory of her was one night when I was staying overnight at my Grandma's house, she came over to take Grandma, Uncle Vinny and me, to Ted's for milkshakes. We went down to the water front where Ted's was back then, and rode through the parking lot of the park and she shined her bright lights on all the people in cars that were making out. We laughed and laughed. She was always kind to me and I loved her so very much. I am so sorry for our loss, and am thankful for the time we spent together. RIP, my sweet Aunt Phyllis.*

“ *Phyllis was always happy and smiling. She welcome everyone with love. She enjoyed her family and showed them love and respect. In return her children were also happy and loved being with family and friends. I will miss my beautiful "sister," very much.*
