“ Aunt Regina was a special woman in so many ways. She was a dedicated mother and wife who always put family first. She kept a beautiful home and took pride in doing all she could to ensure that her house was beautiful inside and outside. It was easy to spot her house when coming down the block--it had the most flowers and the most seasonal decorations. Aunt Regina enjoyed being with her extended family at parties, holiday and special events and simple visits. She always made people feel comfortable. She remembered those family and friends who were ill, living in assisted living and nursing homes, and those living alone.

We remember her as one who helped us to know what it means to be a family. We will miss her, but we will cherish the many beautiful memories that she leaves. May she rest in peace.
