“ My sincerest condolences to all the Capodagli family on the occasion of Richard's passing. I have very fond memories of working with Richard in the early 1970's at the Cantalician Center on Main Street. He is part of some of the happiest memories I have of my first job. Diana Muehlbauer Crawford

“ In years long ago, when my family would visit Buffalo every summer, Ricky was my best friend. I have wonderfully clear memories of playing with him in the yard behind his Mothers's house, while she and her sister, my Nana, would sit on the screened porch and laugh over coffee and homemade pie. Every summer I was so excited to see Ricky so we could resume our fun and renew our friendship. Those days provide some of my happiest memories. Ricky was a gift. He was a faithful soul and a bright light. For me, he will always be a kid playing in the green grass and bushes behind his Mother's house.

“ Dear Jeanne and Jim - My first memory of Ricky was at Aunt Marge and Uncle Armand's house. He was maybe 4 years old playing on the parlor floor with his toys. He seemed so happy and absorbed with his game. My dad explained he was a special child and so he was. That's how I will remember him.
My heart goes out to your family with this sad loss. Love, Cousin Susie
