“ We were all so very sad to hear of Mr. S's passing. We will miss our warm, friendly and helpful neighbor very much. I must say that in 15 years of living next door I have never heard Mr. S utter an unpleasant word. He was always there with a smile and a wave when coming & going, always willing to help when he noticed us struggling with our tools and always had a few minutes to interact with the visiting pets (who also loved him & looked forward to seeing him!) He was a sweet, wonderful man who will be sadly missed. Please accept our sincere sympathy for your loss. He and you will be in our prayers.
