“ *My deepest sympathy goes out to the family of Aunt Rita. One of the fondest memories I have of her is her smile, just like in the photo here. Aunt Rita was always so cheerful. I have fond memories of all my family members who have passed, most recently Aunt Rita, and those memories will be with me forever. May her family, my cousins, find peace in the memories they've made over the years. I was sad I couldn't be there at this time, but I remembered Aunt Rita this morning at church with prayers and a candle lit in her memory. May she rest in peace.*
