“ I will always remember the many times we spent weekend sleep overs at my Aunt Rita and uncle Dans home. They always treated us like we were one of their children. We stayed one weekend because that Saturday we all went to Crystal Beach with CYO my aunt was always concerned about my diabetes so she especially packed sliced peaches for me because everyone else had candy to snack on but me, she wanted me to have something to snack on however all the other kids ate the peaches before I could get to them. Anyway she was a very loving person with a strong faith and love for all who loved her. She shall be greatly missed. I know in the end of her life, she was very confused and difficult to deal with but over all of the people the confusion she was still the warm loving person she always was. Love you and I shall miss you Aunt Rita ❤️❤️❤️❤️
