“ *I worked with Bob at Opportunities Unlimited for many years. He was so great with our people always having things for them to help with in the greenhouse; always making sure he had flower arrangements that they could afford. After he retired from the agency the greenhouse just wasn't the same anymore. He was so nice and very loving. He is greatly missed here.*

“ *Bob (Robbie) was a wonderful nephew and friend. We remember going hunting at his cabin in Hinsdale, fishing on the St. Lawrence with other family members, and going on Florida vacations. He was a wonderful, talented and gracious person and will be greatly missed. We send our love and prayers to the rest of his family.*

“ I met Bob working at Day Services. What a great person he was to work with and to the individuals at Opportunities Unlimited. He was a great person with a great personality and was loved by many. He will be missed by many people. My sincere condolences to the family. May God bring comfort and peace at this difficult time.

“ Bob was a lovely, creative, funny, and personable man. I only knew him from his work with flowers and gardening. He presented many a program to our District VIII garden clubs as well as Plantasia, and was always entertaining in the process. Bob always remembered me when I would bump into him at the grocery store, even though he probably didn't recall my name, but always took the time to chat about his garden or upcoming programs. He will be missed.

“ Heartfelt condolences and deepest sympathy to all of Bob's family and friends. He was such a wonderful, kind, patient, gentle, talented, creative, artistic person. I worked with him at OUN, and he inspired me every day. What a gem! Keeping you all in my heart, thoughts, and prayers throughout the days ahead <3

Thanking God for the wonderful life of talented and artistic horticultural therapist Bob Bracikowski, a former colleague of mine. He gave so much of his life to loving and caring for plants, flowers, and nature, and for sharing that love, passion, and beauty with others. He established the Niagara Floral Center and Greenhouse at Opportunities Unlimited of Niagara in 1995, teaching individuals how to grow and care for plants, facilitating their enjoyment of all the sensory qualities associated with their textures, scents, and visual beauty. He inspired people, and helped them to develop and express their creativity in flower arranging and wreath making. He designed the fully accessible Woodruff Nature Trail and a vegetable garden, and worked to establish and maintain them for many years. He did so much more, in and for the community...far too much to mention here. He valued and appreciated people, and was a very gentle and kind soul who will be greatly missed. ~

“ To all of Robert's family, Elizabeth and I send our love and prayers at this very sad moment in time. 'Bob' was always a great guy and one who shall be missed. We knew him as a youngster and businessman for years, as well as his mom, dad and siblings. The nicest family and neighbor anyone could ask for. May he rest in peace.
