“ Bobby was always a good kid. From the time he was very young playing with the Kapalczynski boys to when he was retired visiting his cousin Corky he was fun, respectful and always the kind of person you liked being around. Our sincere condolences to Judy and her kids. Bobby would always say how lucky and happy he was to have found Judy.

“ We will miss seeing you in the backyard spending time with Judy listening to music enjoying your cigar. Rest in paradise Bob. You will be missed.
