“ Thank you Bob for being a great neighbor from the beginning! You will be truly missed and I hope that you know that you and Pat were loved. I grew up with you as a child and I know we found a great neighborhood as all the new houses were being built one by one until the street was full. We had many block parties, graduations, and birthday parties. I know that we had a great life on our street and we will always have our memories of you. My condolences to your family, friends, and neighbors. Sending you lots of love in heaven. Laura Dawson.
