“ I'll never forget riding around in the delta, listening to Nirvana, hanging out and having fun. Bob and I went our separate ways in adulthood but I'll never forget the times we had. The neighborhood crew took a big hit. My deepest condolences to Dena and Mr. Pahl.

“ I smoked a good one in your honor, baby brother. I love you ❤️💔

Dena Pahl Catalano - June 09, 2024 at 05:22 PM

“ *My baby brother...I have loved you and hated you. What I've discovered is the love was always there. I always want you to have the things you deserved. I often pleaded for you to get help. I prayed the addictions would not take hold of you. But through it all, you have remained a loving, caring person. The greatest lover of animals. You were kind, my brother. You just never found your true path. I miss you terribly and wanted so much more for you. I pray you're in heaven with mom, gram, your cats Ellie & Callie, and all our dogs that have passed. Be at peace now.*
