“ To the Pittman family;

Back in 1986 Bob, of Rescue 1 2nd platoon saw a young, nervous untrained firefighter off to himself. One day Bob, who was not even on my crew (Engine 3, 2nd) said "hey JJ, you want to go over the pumps"? I said "sure". From that late spring day and for several months, Bob had me pull Engine 3 out on the apron and taught me the pumps for a couple of hours. I have always appreciated Bob for taking the time out to take a young firefighter like me under his wing and share his knowledge and experience.

*With deepest respect and admiration,
Captain Jerry Johnson Sr.*

“ To the Pitman Family;

I am saddened to hear of your loss. As a former Buffalo Firefighter, I had the pleasure of knowing Bob and working with him on occasion. Anytime our paths crossed, it was always a pleasure to talk with him. Please know that Bob was well-liked and respected by many, including myself. Best wishes to you in the days ahead.

*Sincerely,
Pablo Ortiz*

“ *Pitman family,
Sorry to hear of Bobs passing. I had the pleasure of working with
Bob for several years at engine 1 / truck 2. He was a great
firefighter. He loved having his Dad and the boys visit him regularly
at the fire house. Rest in peace my friend.*
