“ My condolences to Ron's family. He was a friend, and a great competitor at the RC racetracks. He was always willing to lend a hand, give advice, or help out with parts when my son and I crashed our RC cars. (Which was often!).
Rest in peace "Rapid Ron".

“ So very, very sorry for your loss Philomena and to your family. He was so informative and caring every time I talked with him on the phone. He also took the time to call and ask about my parents and was genuinely interested in their well-being. He took care of others for whatever was needed. He was a very special person and will be truly missed by his family and friends.
