“ Your Mom was a wonderful caring women.. Family was very important to her. She was so happy when her grandchildren were born. Roseann was still working when Joshua was born and she would show me pictures. I worked with Roseann at Tops. I will always remember the wonderful conversations we had. and her comforting words during difficult times. When I was just beginning in the floral department, Roseann always loved to see my floral creations. George, Tony and families - God saw that your Mom was tired and needed rest, God looked down and saw an empty spot in his garden, So, he called her home and in that empty garden spot, he put a beautiful "Rose". Rest in Peace my friend. My deepest Sympathy! Hugs and Prayers - Judy Kirst - Tops #202

“ I am going to miss my friend Rose Ann she was such a sweet person and a big comfort to me when I lost my husband this year. I live upstairs of her at the apartment building. We enjoyed card games ,bingo and many lunches. I know how much she enjoyed hearing my cats chasing each other through the apartment. I will always remember her as she died on my birthday.
