“ I was very saddened to hear about the passing of Mrs. Ruthie. She was not just a neighbor but a dear friend to our family for so long. Her warmth, and kindness will live on in my memory as well as the hearts and minds of the wonderful family she was Wife, Mom and Grandmother to.

It's been said "it takes a village" but in our case at the corner of Oakwood and Sprucewood, it took a neighborhood and she was such an important part.

“ A wonderful Aunt and I'm extremely grateful to have had some of her sloppy Joe's with her, Uncle Rick, and my Ma recently after my retirement. You are extremely missed and I will always treasure the memories I have of you. Love Paul!

“ I am at a loss for words Ruth and I go back many years. We were best friends, sun worshipers when it was still ok, and coffee or tea drinkers while our children were growing up together. She was only a few months older than I so we truly understood each other. In recent years as we aged we weren't as close, but just knowing she was one house away from me made my life so much better. I will miss her so much, and can only hope we can be neighbors when my time comes and we are together again in heaven. I will always have a soft spot in my heart for her. I love you Miss Fruity ☐
