“ My mom at times didn't see eye to eye but in the end we had a very special relationship that only her and I could understand (Silician mom) but she always wanted the best for her children, grandchildren, and family. I love you so much mom I'm so glad we have such amazing memories that will last forever! Especially Florida so many trips to see Aunt Marcy and the family. Disney you taking care of Alyssa when we were both so sick. Taking care of Pat n Matt that was a real blast 2 Autistic boys but she did. If it wasn't for my mom telling me to ignore my autoimmune and Epilepsy I wouldn't of become a Dental Hygienists and make Deans List with a Academic award, I so remember closing my eyes when u opened up my board exam you said 00(I'm like they don't even give points for your name)1 I got a 100, 98, 96 my mom was sooooooooooooooooooooooooooooo proud of me and so was I we celebrated at Rosalinds so she could show her family. Mom your will always be my favorite memory I know at times I was stubborn like you but I did listen. Goodbye is the saddest words by Celine Dion. Love love love you Momma

“ Sandy was one of my dearest friends and I will miss her very much. Lyle and Sandy shared alot of good times with my husband and I. We enjoyed out little outings and Friday fish fries. She was devoted to her children, grandchildren and great grandchildren. She suffered with Alzheimers and she has earned a peaceful rest.
