“ I met Sharon at work and we became instant friends. We worked on Gennesee and would often go to a diner on Transit Road for lunch. We thought they made the best meatloaf, rice pudding and bread pudding. She became a stronger person after enduring many difficulties and hard times over the years. She was the best friend I've ever had. We had so many great times together. She was a wonderful, caring person who would do anything for you. I loved her like a sister and I will always cherish our wonderful memories. She is greatly missed!! Patsy

KI

“ I remember the first time I met Sharon my friend Pam owned paws in the pantry in East Aurora Sharon was taking her dogs there to be groomed Pam had asked me if I would help Sharon wash some windows and clean for her she was going to be moving I pulled up to the house on Bailey and seen all the windows and almost kept on going but I did not. Because then I would have never met Sharon we became friends I helped her with the move to Liberia and helped her whenever she needed things done around the house she will be missed. Your friend Kimmy

“ sharon was the little sister of - late best friend Geri-she and Geri were more than sisters they were best friends i have known sharon to be a couraggeous and lovely person who raised a nice family mostly alone with many difficult days.she loved her children and grandchildren.I had visited her often at her east aurora home.she was a kind and generous person-and worked alongside her husband in his concrete business.she had many health issues and i tried to offer as much help as i could.at one time her previous home had a bad fire destroying her possesions-she bravely went forward and built a new home.lhad the good fortune of knowing sharon as a friend.She left a legacy to her family of love,and caring-She also was the dear aunt of Patricia Alessandra ,Geris daughter who she was very fond of-my deepest sympathy to her family Marian Barnes
