“ *Barb, I'm so sorry for your loss. You, Stan, Tom Brummer and I worked together at IDS a long time ago. Tom and I became friends with the two of you and even visited the home you had in Cheektowaga with the railroad tracks in back many years ago. We haven't kept in touch through the years but I saw the notice in the paper about Stan's passing and wanted to let you know my thoughts are with you and your family. He was a really good guy and he will be missed.*

“ *Bonnie . Sincerest condolences May God surround you with people who can keep you calm and level headed. Feel the peace and next week you can do business when you mind is clearer. Anything you want or need we're there. Now my lonely mom has someone to keep company with. You all had love and respect from Stan. He was a good father.love to all,*

“ *I was so sorry to hear the news of Stan's passing. I worked as a part-time secretary in Juvenile when I was in high school for a time. He was fun to work along with. I'm still with the Town and enjoyed seeing him when he dropped off paperwork to Personnel. He will be missed. My sympathies to the family. Rest in peace, Stan. You were a good man.*
