

Steven Kohlhagen

August 11, 1959 - December 10, 2023

December 10, 2023 of Lancaster, NY, passed peacefully at home surrounded by his loving family after a four year battle against two cancers. Steve is survived by all of his favorite people; Beloved father of Alicia (Tom Zabawa) Kohlhagen, Ashlie (Ryan) Hankinson, and Steven (Ashley) Kohlhagen II and grandsons Harold and Theodore. Also survived by his sister Bonnie and brother Thomas. Steve was loved by many including his treasured group of friends, The Patio Perchers, and his cherished neighbors. Steve enjoyed a good bourbon, going on trips, riding his motorcycle, and most of all helping his family and friends whenever needed. He was a selfless father and friend who made people laugh with his dry and unexpected sense of humor. He was a man of few words but you always knew how much he loved you. A patient, loving and comforting soul that will be missed beyond words. No prior visitation. A Celebration of Life will be held by the family after the holidays. In lieu of flowers, Steve and his family are asking for donations in memory of Steve, be made to the Roswell Park Cancer Institute. Arrangements by the DANIEL R. SMOLAREK FUNERAL HOME.
