“ I worked with Sylvia for many years at Sierra and she always brightened our day. We always looked forward to the different holidays to see what crazy outfit she would wear. Then after retirement we had our monthly breakfasts to catch up. She loved her family and we loved hearing the updates on all the nieces and nephews. My condolences to her family, we will all miss her.

“ So sorry to hear the passing of Sylvia. We worked together for many years in the MIS Department and later IT as keypunch operators at Sierra Research. She could light up a room just by walking in. She had a unique sense of humor. Her laugh was contagious. After retirement, I will always remember our monthly breakfast at the Olive Tree. You will be deeply missed. RIP dear friend. Rose Zynda
