“ Dear Louise and Mark, I am so sorry to hear about Ted. Please accept my sincerest condolences. Ted was a special friend,. A man of patience and a wry sense of humor. I saw him this summer at the VA and he told me of his illness. I prayed for him nightly. I guess that it was his time, though I know it seems far too soon.  
I'm sorry that I can't be there now as I am in Florida and won't return until November. Ted will live in some of my fondest memories. With Love, Craig

“ Aunt Louise, just was informed last night about the loss of your husband. I am so sorry. My heart is heavy because I know the pain both you and Mark are experiencing. Sorry I am so far away and cannot be there in person to offer my condolences and give you a big hug. You and Uncle Ted have done so much over the years to help my mother and brothers throughout the years. Words cannot express the sadness I feel today learning of the loss of Uncle Ted. My thoughts and prayers are with you and Mark during this time of sadness and grieving.

*with Love*
