“ Our memories of Tommy brings happy ones, as he always had a smile and hug for us when we saw him. God has brought him home to be with Him and His angels.

“ Tommy, our mothers were sisters and we were born six months apart and spent so much time together in our youth. We had so much fun on the Farm, 132 Roland and even Long Beach. When Harriet and I were married and moved away you came to visit us several times at our new home, which meant so much to us. I will never forget all the fun we had and you could always make someone laugh and feel so good.

You will always be kept fondly in my heart.

Love,

Archie (Art)

“ Dick and Geri, It was such an honor to have been Tom's former case manager, at Southeast, for 7 years. He was a joy to work with. He always had a smile and a hug for me. I will never forget him. He left a huge imprint on my heart. May God bless and comfort you during this difficult time. You are in my prayers. Marisusan Stiles

“ *"Elvis"....Tommy, I remember fondly taking you and my brother Norbie to Allentown when it was on Franklin. Bowling...you guys were good friends. My mom picked you and Ronnie Kaptur up and for years you guys were together. Norbie picked up his love of Elvis from you. May you rest in peace, Tommy...and you & Norbie and your mom & dad having one good blast in heaven! Wish I still was able to drive; I would come to see your family for support. ...
