“ Verline was always cheerful and fun to work with. We became close friends when we car-pooled together to the Fed. I will definitely miss her smiling face, the sparkle in her eyes and of course that red hair. Rest In Peace my friend.

“ I am so blessed to have known Verline as my sister-in-law. She insisted that her brother bring a date to her wedding. Her brother called me and we are now married for 47 great years. We have three wonderful children. She was a super daughter to her Mom and visited her every day when she had to go into a nursing home. She loved my children and always spoiled them on different holidays. Love you Verline, we are going to miss you.

Love,  
Margie
