We are so incredibly heartbroken to hear about Mr. Burgio. My brothers and I went to school all our lives in the Cheektowaga/Sloan district and our parents remember him fondly. He often came to visit me when I worked at Sears Galleris for 23 years and always had kind words, stories to share and often asked how the family was. Our love, prayers and deepest sympathy are with Mrs. Burgin, his children and family, friends and all the students who thought the world of him.

“ *Mr. Burgio was my 5th grade teacher at PS 36 in Buffalo. I remember him well as a teacher who made an impact on my learning. He also would make me clean the erasers for giggling too much in class! My sympathy to the family. May he rest in peace.*

“ *Rest in Peace, Mr. Burgio. Having worked at Cheektowaga Sloan Public Schools and getting to know you, I admired your steady, quiet and thoughtful demeanor. You possessed the ideal qualities that a school administrator required and set a great example for both teachers and students.*
