“ Bill was a good friend of mine for the last couple of years. I met him when I was in the area and noticed many stray cats on his street. I knocked on his door to ask him if it would be okay to trap them and get them fixed after noticing he fed them. He kindly agreed. We have been friends ever since and would go to dinner and enjoy trying new places. He was a nice person and one of the only people I felt truly cared about me and how things were going. Very kind soul. Miss him.

“ Had a blast growing up and visiting Billy, Dale, David and Mike always goofing around and having a whole bunch of fun and laughs. Now he goes to meet Laurie and my Godparents Uncle Bill and Aunt Frannie. Love them all and may they rest in peace. Ps Scotty came later not to leave him out, God bless them all. Donny Neureuther

“ I recieved the sad news today that my dear cousin Billy passed away. I will miss our talks about religion and our reminiscing about family. You had a fantastic memory and I will always cherish our memories together. I will miss you terribly but I know that you are happy with Lori now and the rest of our family in heaven. On my way home today I asked you to give me a sign that you were ok and as I passed a church I asked God why then suddenly out of nowhere, a beautiful rainbow appeared right in front of me and gave me my answer. Godspeed to all of my family with healing, comfort, and acceptance. Rest in peace my cousin, my friend. 🙏❤️
