“ Dear Mary, I am heartbroken to learn of Bill's passing. I worked overnights with him at Walmart from 2008-13. We had "bench dates" around 5:00 am to round out the night. I so enjoyed hearing about his beloved cats, your trips to Myrtle Beach, and talking cars and motorcycles with him. The last two years there I worked towards a degree and secured a great job and career. He was such a champion for me and kept me positive throughout. I was happy we stayed in touch after I left the store.

*I'm sorry I never got to meet you in person. I am sending you many prayers and comforting wishes.*
